

## RESOURCES FOR PLANTING NATIVE:

**What do I plant and  
where do I find it?**

***What are Native Plants  
for my Region?***

- [PA Specific Native Plant Resource](#) — this is a fabulous, new resource! (The purpose of this site is to provide a tool for those interested in finding PA native plants that fit the needs at home. The site allows those with a lot or a little knowledge of gardening to find native plants and the nurseries that carry them as well as online sources.)
- Visit [Homegrown National Park](#) for a comprehensive list of natives by state and region and information about where to buy plants or seeds.
